Batters for our pancakes and waffles are prepared by us from our own original recipes. **We use no prepared mixes!** In an effort to serve the lightest, fluffiest pancakes possible we use the best ingredients obtainable. Our Buckwheat, Whole Wheat and Cornmeal batters are made with organically grown grains, which we stone-grind ourselves.

The Oatmeal-­Buttermilk batter is prepared with powdered buttermilk, canola oil and egg whites as a healthy alternative. All whole grain batters contain no added sugar. All Polly’s pancakes are 3” in diameter and served in two sets of three. Waffles are 7” in diameter. All pancakes and waffles are made by your server and served with an unlimited supply of our own pure maple products.

The fake stuff, fruit syrup, fruit spreads and diet syrup, are available upon request.
